

Sunridge Circle Primary

Vision and Mission

Preface:

At Sunridge Circle Primary School we aim to have a relevant, well thought out, highly applicable vision and mission statement. We want to embed the mission statement and school culture in every facet of schooling. We want our learners to be well versed with our vision and to believe in their school vision. The school exists as a learning institution to serve the community.

We promote values within every learner as it's the universal language of acceptance and human kind.

Expectations:

Learners/Parents/Staff

- All stakeholders to 'buy' into the vision, mission, school culture and values of the school.
- Parents to support the school in its endeavors.
- Learners and teachers to believe in the mission and vision.
- The vision and mission must be embedded in every facet of schooling.

The school culture:

School culture: The term **school culture** generally refers to the beliefs, perceptions, relationships, attitudes, and written and **unwritten rules that shape and influence every aspect of how a school functions**
